RAUSCH INTERNATIONAL GROUP GMBH INTRODUCES THE NEW SENIOR MANAGEMENT

The Rausch International Group, a leading manufacturer of sewer inspection and trenchless sewer rehabilitation systems, has a new board of directors as of April 1, 2024. Andreas Zwißler (CEO), Axel Riedisser (CFO) and Stefan Keck (COO) will be leading the globally operating business into the future.

Andreas Zwißler was appointed CEO of Rausch International Group GmbH with effect from January 1, 2024 and has since been managing the fortunes of the Bavarian specialist for sewer inspection and sewer rehabilitation systems. In addition to the strategic direction of the Group, Zwißler is responsible for sales, marketing, and development. With more than 30 years of professional experience, he has honed his expertise in particular in the area of the development and marketing of industry products. Zwißler believes that innovation means a willingness to change, leading to new, innovative products and solutions.

As CFO, Axel Riedisser will be responsible for Finance and Accounting, Controlling, Human Resources, IT and Legal. He has over 15 years of experience in the financial sector and has been Managing Director of minCam GmbH, a subsidiary of the Rausch Group, for 5 years. In January 2020, he took over management of the financial and controlling department of the group.

Stefan Keck is taking on the function of COO of the Rausch Group and is responsible for the company's operative area. He has been working for the company as Director Operations since 2022 and is responsible for the production sites in Weißenberg and Immenstadt as well as for service, operations scheduling, and purchasing. With his 14 years of experience in the sewer inspection industry, he will continue to develop the organization and optimize the diverse areas and structures to meet customer needs.
